

EASTERN LANCASTER COUNTY SCHOOL DISTRICT

December 11, 2020

Dear Parents, Guardians, and Community Members-at-Large,

I am writing to inform you that we are extending the shift to remote learning at the Secondary Campus (Grades 7-12) through Wednesday, December 16, 2020 with the exception of some specialized learning classes and CTC learners. At this time, secondary learners will return to in-person learning on Thursday, December 17, 2020. The extension of remote learning is a result of two factors. Several additional (four) cases at the secondary campus have identified as COVID-19 probables and the extra time will allow us to complete accurate contact tracing and notifications.

We will continue to monitor closely and communicate with you regularly.

Thank you.

Sincerely,

Robert M. Hollister, Ed.D.
